

URGENT CLARIFICATION

ROMANS PIZZA STANGER, KWAZULU NATAL

The above outlet in Gizenga Street, Stanger, KwaZulu Natal is 100% Halaal Certified.

Awarding of certification is based on the stringent criteria of Halaal being met which includes approval of all raw materials and suppliers, procedures and processes compliant with Halaal requirements, Muslim supervisory presence, ongoing monitoring and auditing of every step of the Halaal supply chain and entering into contractual agreements which legally binds both the Franchisor and Franchisee to the implementation of Halaal requirements.

It must be understood that Muslim ownership is not a prerequisite for the outlet / manufacturing facility to be considered for Halaal certification. Accordingly, whilst the said store is owned by a non-Muslim proprietor, over and above the general certification criteria applied, there are Muslim persons onsite appointed by SANHA to manage the Halaal program on a daily consistent basis. In addition, a local Aalim also audits and monitors the store on a regular frequent basis.

The outlet has thus successfully met all the necessary requirements for SANHA Halaal certification and our respected Ulama have accordingly attested to this.

Any statements to the contrary are evil rumour-mongering & mischievous slander with malicious intent and must be rejected outright.
