**Attention : All SANHA Certified Plants**

Dear Sir/Madam,

**RE: SANHA LICENSING FEE**

We thank you for subscribing to and implementing the SANHA Halaal Certification Programme.

SANHA has attempted to maintain a reasonable fee structure. Regrettably, we advise that, due to increased costs, we are compelled to review our Licensing Fee Structure.

**As from March 2019, your licensing fee will reflect an increase. The new licensing fee shall be increased by 5% plus VAT, which will be billed monthly.**

Kindly advise your Accounts Department, accordingly, to amend the debit order/stop order/EFT details to ensure the updated amount is paid.

We thank you for your support and assure you of our best service at all times.

Kindly acknowledge receipt of this notification.

Kind Regards,  
*for South African National Halaal Authority*

S. Mahomedy – Executive Officer

We hereby acknowledge and accept the increase in Licensing Fee as from the 1<sup>st</sup> March 2019.
