## HEAR YE! HEAR YE! IT'S A CELEBRATION

We are celebrating the good governance values of OPENNESS, TRANSPARENCY and ACCOUNTABILITY with our Annual General Meeting (AGM).

Not only we cherish and still hold these values true which were part of our founding statement 17 years ago, we regard it as our unfaltering compass that takes us into the future, Insha Allah.

We subscribe to the principle that every human being is a trustee on earth. All our possessions, including health, wealth, livelihood, power and status belong to Allah. One who performs his or her duties honestly and diligently is upholding this Amaanah (trust). The Noble Quran enjoins us Believers "...Betray not the trust of Allah and His Messenger, nor misappropriate knowingly things entrusted to you" (Surah 8 Verse 27).

In the light of this concept, no one in authority is a law unto themselves and have to remain answerable. In this spirit we invite you, your family and friends to our AGM on the 10th November 2013 where our audited financial statements and operating details will be presented by our officials directly to you. Our warmest invitation is extended to all to witness our AGM.

See below for your personal invitation and details

We look forward to your presence, Insha Allah (God Willing).
