

WELCOME ABOARD

VACANCIES FOR FAST TRACK CAREER OPPORTUNITIES IN HALAAL

The most important assets of any business are its people and the SANHA leadership regards their growth and development as a calling. By the grace of Almighty Allah Ta'ala and the efforts of our dedicated team members, we are now regarded as South Africa's premier national and independent Halaal authority whose mark you can trust.

From a single employee in 1996 to 126 people in our employ today, a modest office to offices in the major cities of Durban, Johannesburg and Cape Town, from the certification of a single plant to about two thousand in several countries; from obscurity to recognition as a major role player by industry and governments in several parts of the world; it's been quite a journey.

With unprecedented demand for our service and our quest to adopt highest standards, several vacancies have arisen for positions at our various offices. It's the ideal opportunity for you to get your career on track and ensure that the journey continues. Join our dynamic and vibrant team, work alongside our Ulama, specialists in the offices or in the field to render this most important service to the Ummah for reward in this world and the Hereafter.

Don't get derailed or shunted out to some siding or station in life and watch the train of opportunities go past to new horizons.

HELP US TO HELP YOU TO HELP THE UMMAH
