## IT'S SHOWTIME!!!

Conferences and exhibitions continue to be among the most effective and proven methods to generate interest, positivity, relationship building and community pride through discussion, analysis and networking.

Therefore, **SANHA** readily utilizes the many diverse platforms of exhibitions, conferences, seminars, food and community fairs, talks in Masaajid, Schools' programmes etc. to engage and interact with participants in the furtherance

of its mission to educate and create awareness of Halaal.

It encourages its certified plants and subscribers to utilise these windows of opportunities as exhibitors and visitors by facilitating participation at selected events hosted by expert organisers, at outstanding venues. **SANHA** also ensures that it has personnel present throughout the show days in support of its vendors, subscribers and the event organisers.

Accordingly, we present:

- 3 super events
- 3 outstanding venues
- 3 different months
