

## **RAMADHÂN MUBARAK!!**

As the blessed month dawns upon us once again, we make du'â that Allah unites the Ummah and guide us towards His obedience and remove the enmity and rancour from the hearts of believers towards their fellow brethren.

We take this opportunity to assure you of commitment to provide a credible service to the Ummah and request your du'âs for steadfastness.

Do not be misled by the doubt created by splinter groups regarding the Halaal status of chickens and Ramadhân savouries. etc.

The affidavits by the slaughtermen are contradictory and some even questionable. They cannot be relied upon and remain untested. We have been informed that some slaughterers may have been bribed to secure signatures.

We confirm that all Halaal certifying organisations and major Ulama bodies accept commercially slaughtered poultry which has been certified as Halaal.

**An earnest appeal for du'âs**

**May Allah accept our fasting, ibaadaat and charity!**
