

DON'T LET YOUR GUARD DOWN

After a year of striving in business, earning a Halaal livelihood, engaging in various Deeni activity, education for the children etc., happiness in the home and improving spiritually, the family deserves their holiday.

It's the time when on holiday that mistakes generally can happen through laxity and holiday mood and also unscrupulous operators taking advantage of the situation. What no one needs is a compromise on our Imaan. Don't let your guard slip on Halaal choices which can affect one's Imaan.

“O’ Mankind! Eat of that which is lawful and wholesome in the earth, and follow not the footsteps of the devil. Lo! He is an open enemy for you.” Surah 2, Verse 168

Contact a local Islamic organisation during your journey and holiday to ensure that you and your family do not become a casualty to Shaitaan's snare.

Our sincere apologies. Our lines have not been restored thus our Helpline will not be accessible during this period.
