## ACCESSING THE DIVINE GIFT

Allah Ta'ala through His Generosity and Benevolence multiplies the rewards many fold during the month of Ramadaan. The doors of Jannah are opened while those of Jahannam are closed.

While we strive for closeness to Allah Ta'ala through all the virtuous acts undertaken in Ramadaan, let us not lose any opportunity out of ignorance. Let us accept guidance and participate wholeheartedly in the various Masaajid programmes under our esteemed Ulama.

As inheritors of the knowledge of the Prophets (peace be upon them) the Ulama are our spiritual beacons of hope in our sojourn of life on this earth. (Click here to view article on Ulama - A Living Legacy: <http://www.sanha.co.za/flashnews/2015/flashn97.htm>).

Let's capitalise on their teachings and allow them to guide us towards revitalisation of our soul and spiritual ascension to emerge far stronger at the end of Ramadaan than we entered into it.

Remember consumption of Halaal food is an essential requirement for the acceptance of one's duas.

We make dua that Allah Ta'ala accepts our fasts, ibadaat, supplications and elevate the status and rank of our Ulama in this world and the next. Aameen.
