EID MUBARAK - THE DAY OF VICTORY

The sighting of the crescent moon signifies the end of Ramadaan and heralds in the celebration of Eid ul Fitr. We offer praise and thanks to Almighty Allah for the opportunity to faithfully observe His Commands of fasting and additional prayer and curb our bestial selves from sin and wrongdoing. This victory over our nafs (base desires) propels us forward with renewed vigour and determination for the year ahead. Why would anyone contemplate regressing into defeat after this taste of victory in the most Mubarak of months?

In celebrating this, we ask you to accept the sincerest best wishes of “*Eid Mubarak*” from the **SANHA** family of officials, staff, family, certified plants and friends.

We wish one and all a joyous and blissful Eid ul Fitr – *Taqabbalallahu Minna wa Minkum* (May Allah accept from us and from you).
