CHICKEN FOUL UP - STREETWISE OR HALAAL WISE?

With social media's recent incessant clucking of chicken shortages at KFC outlets and replacement stock from alleged non-Halaal sources locally and internationally, SANHA reiterates its position regarding certification of franchise outlets.

Certification is based on stringent monitoring and auditing system of every link in the supply chain. Beginning with the Franchisor Head Office who controls and dictates every aspect of the process, through to each and every supplier of raw materials & products, and finally to the franchisee at the end of the chain.

KFC Head Office however, obstinately refuse to be regulated by a formalised Halaal agreement contract with any Halaal certification body over the years which renders it impossible to give Halaal assurances for their 850 outlets located throughout South Africa.

IN THE CIRCUMSTANCES WE URGE ALL MUSLIMS TO NOT JUST BE STREETWISE FOR THE DUNYA BUT BE HALAAL-WISE FOR THE AAKHIRA BY LEAVING OUT THAT WHICH IS DOUBTFUL AND FOLLOWING THAT WHICH IS CERTAIN.

Any queries pertaining to the above or any other aspect of Halaal may be referred to our offices.
