

PRECAUTIONS FOR THE RAMADAAN ROAD

As it happens yearly, the happiness of the coming of the month of Shabaan is marred by the rumour-mongering of the detractors to the mission of Halaal.

In particular the preparation by our sisters for the provision of good wholesome Halaal meals for iftaar is thrown into a quandary with wild allegations of products being Haraam. Most doubt is created on poultry and meat products used in the preparation of savoury snacks such as samoosas, spring rolls, cutlets etc. which is the mainstay of the Ramadaan offering at the iftaar table.

Sisters already overburdened with the responsibility of ensuring the smooth running of the household in addition to their own advance preparation for the Ramadaan ibadaat and its reward deserve to have a helping hand, Insha Allah.

For peace of mind our National Helpline, through its various media streams shown below, is on standby to readily answer your product queries and verify the Halaal status of products.
