AIRPORTS - STEER CLEAR OF HARAAM

South Africa's nine airports facilitate over 40 million travellers a year.

As the rainbow nation with our unique historical and cultural melting pot heritage, a variety of food offerings are served up by entrepreneurs. These range from alcoholic beverages at pubs and coffee shops, pork and other Haraam products by famous brands of fast food outlets and confectionery at candy shops.

The task of providing Halaal meals is exceptionally demanding given the returns expected by entrepreneurs for high costs to gain a small slice of the overall travel market.

For your convenience and safe travel experience, the following outlets at SA airports have been certified Halaal by **SANHA**.
