EID - A SPRINGBOARD FROM RAMADAAN

30 days ago we willingly undertook the journey of Ramadaan. A journey of self-restraint and piety to learn to fight our desires and subdue them. We demonstrated willpower, endurance and desire to observe the fast as per Divine commandment towards transforming ourselves during the month of Ramadaan to emerge spiritually higher than when we began. Praise and gratitude be to Allah for His Mercy for allowing us this unique opportunity.

It would be the height of ingratitude to deviate from this journey of Allah-consciousness, by failure to uphold and implement the lessons of Ramadaan. Let Eid be a springboard to greater good by continuing the momentum to lead a life of piety and abstention from sin. Let Eid propel you to actively enjoin good and forbid evil, which includes the important duty of ensuring the consumption of Halaal and abstinence from Haraam.

The **SANHA** family of officials, staff, certified plants and friends wishes all a Blessed Eid, and pray that all our homes be Divinely illuminated on the auspicious day of Eid, and that this heralds a renewed adherence to the Laws of Islam.
