SANHA SUPPORTS HOME INDUSTRIES

SANHA has over the years assisted Muslim Home Industries with Halaal certification at highly subsidised costs. Such certification creates huge opportunities for entering the market.

SANHA certified retail outlets like butcheries, bakeries etc. are required to only stock products that are certified/approved by **SANHA**. Accordingly, **SANHA** certified home industries have immediate access to market their products through such outlets.

Muslim Home Industries are encouraged to embrace the opportunity and secure access to these established markets.

Don't be disillusioned by rumours & hearsay. Visit the **SANHA** offices and see for yourself.

THE PROOF OF THE PUDDING IS IN THE EATING!

Any queries pertaining to the above or any other aspect of Halaal may be referred to our offices.
