NEW YEAR 2020 – A TIMELY REMINDER

By the Divine Grace of Allah, the One and Only, the Eternal and the Absolute, He has allowed us to reach the threshold of the Gregorian Year 2020. It is another timely reminder that each passing day brings us a step closer to our ultimate return to Him.

The start of a new year including the Islamic new year, beginning with the month of Muharram, does not have any specific celebrations or acts of worship attached to them. However, there is a world – wide propensity and tradition to make “*new year resolutions*” towards self-improvement.

It is praiseworthy at any time of the year to engage in self-reflection and introspection to review and be grateful for our good deeds and acknowledge the shortcomings requiring improvement.

Over and above our mandatory obligation of adherence to the five pillars of Islam, the first of which is the Oneness of Allah, there are many meritorious acts that you can make resolutions to realistically achieve in the coming year, be it a conscious effort to smile more often, mend family relationships, visit the sick, help the elderly, acts of charity etc.

Amongst these the diligence on consumption of Halaal must feature highly for the Prophet (peace be upon him) said “*That body will not enter Paradise which has been nourished with Haraam*”.

Here’s how we will strive to help:-

1. Have the SANHA logo on more products and establishments for your peace of mind without compromising standards.
2. Improve our National Helpline service to answer queries.
3. Constantly update our database with the latest information and keep you informed.
4. Maintain our weekly Q & A programme on Radio Islam.
5. Host a SANHA programme at your Masaajid or institution.
6. Host a SANHA programme at your school.
7. Uphold the mission of Halaal with honesty and dignity.
