

SANHA FINANCIAL STATEMENTS

Giving effect to one of its founding objectives of good governance through transparency and accountability, SANHA consistently hosts Annual General Meetings in the major cities of the country, Alhamdulillah.

The meetings are open to the public with audited financial statements as well as operating details presented to the attendees by the officials. Copies are also given out to delegates to take away and the information is disseminated to the media and community radio stations.

As a further commitment towards this policy we have now posted our abridged audited financial statements on our website for those who are unable to attend the AGM's. Please feel free to view on our website... www.sanha.org.za
