Subject: THE FLAGSHIP OF THE HARAAM

Mufti Pork Jaahil

Theological Representative of Shaitaan-in-Chief

SANHA, THE FLAGSHIP OF THE HARAAM CARRION INDUSTRY

Dear Jaahil Pork 'mufti' and devourer of carrion and pork!

Since you deemed it appropriate to direct your carrion rubbish to us, the answers to your carrionated pork-swine questions are as follows:

(1) The pork product was sourced from a SANHA certified vendor whose details are as follows:

Navlakhi & Seedat Pork Enterprises

Telephone 011-870 8000

Fax 011-870 9020

e-mail: [sanha-gp@sanha.or.za](mailto:sanha-gp@sanha.or.za)

(2) According to SANHA the certified supplier is a trustworthy kaafir and the pork he supplies is definitely 'halaal'. According to SANHA the trustworthy kaafir supplier, namely, Navlakhi & Seedat Pork Enterprises deals in only 'halaal', 'hygienic' SWINE and PORK which SANHA's Theological Representative and Department routinely inspects and halaalizes.

(3) The address on the wrapper is evidently fictitious. When SANHA was questioned in this regard, their Theological Representative and other porkers assured that there was a valid pork reason for the camouflage. It was okay according to SANHA who claims that as long as the PORK and SWINE and VARKVLEIS bear the immutable SANHA 'halaal' logo, the pig meat is 'halaal', and no one should question SANHA's pork certification on the basis of a mere fictitious name printed for a valid SANHA-SWINE reason.

(4) To the best of our knowledge the Madrasah obtains all its SANHA certified PORK, PIG, SWINE and VARK VLEIS from only SANHA certified PIG-MEAT suppliers. The Madrasah supports only SANHA-certified 'halaal' swine producers and packers such as Navlakhi & Seedat Pork Enterprises.

(5) According to SANHA's theological representatives there was no need for sanctions if the Madrasah pays SANHA a R5000 annual pork-licensing fee.

Since the Madrasah has refused to pay the R5000 annual PORK-licensing fee, SANHA's finance department has threatened legal action.

Other Muftis are being consulted with regard to the implementation of sanctions against Navlakhi & Seedat Pork Enterprises as well as against SANHA, the Chief Carrion Halaalizer, who have willfully deceived and misled the Madrasah into believing that SANHA-certified PIG, PORK, SWINE and VARKVLEIS are genuinely 'halaal'.

The Madrasah is also in the process of consulting its legal advisers regarding SANHA's willful feeding of 'halaalized' PORK, SWINE, PIG AND VARKVLEIS to the Madrasah students. The attorneys advise that the Madrasah has strong grounds for a substantial monetary lawsuit because SANHA's SWINE shenanigans have transgressed all bounds of despicability.

We trust that all questions have been adequately dispensed with logical responses to set your pork-brains at ease. Should you have any further queries, please do not hesitate to communicate with us.

Thanking you for your pig, pork, swine and vark services.

THE MAJLIS
