**Attention:** Molvi A.S Desai sahib,

*Assalâmu 'alaikum,*

What is a man's worth if not for his words, manners and deeds?

Indeed, your words, manners and deeds speak a mountainous volume for all to see.

Your belligerent letter of 02/09/08 (attached herewith) where even the Islamic injunction of salaam was struck off, the tone, language employed, contents and threat of violence are clearly designed to render impossible any dialogue and communication.

Your thinly-disguised reference to Moulana Ebrahim Bham, the Secretary General of the Jamiatul Ulama South Africa as "*Lt. Reverend*" and "*Pandit Baker*" to Moulana Abu Bakr Bhikoo, the assistant Imâm at the Newtown Masjid, Johannesburg, both of whom have no involvement in this matter, is highly reprehensible and disgusting to say the least.

It is our earnest appeal during these blessed days of Ramadhân that you desist from hostility and confrontation with fellow Muslims.

We make du'â for your guidance and unity in the Ummah.

Was salâm.

**SANHA – THE CERTIFIERS OF MAITAH**  
Johannesburg

In your letter dated 26 August 2008 you have made a blatantly false allegation by claiming that this writer (A.S.Desai) had "beat a hasty retreat when a SANHA Ulama delegation called at my home in Port Elizabeth". Subsequent to the appearance of your lies on your wensite, we discussed the issue with your representative, Maulana Junaid Adam as well as with Maulana Nazeem Moosagie who is a representative of your affiliate, Council of Ulama of Eastern Cape. Both deny your claim. Both deny having knowledge of the 'delegation' you have alleged called at my home. Your blatant lies have been established and confirmed. You have once again vividly portrayed your true colours of *Kizb and Zoor*.

Since you are keen for your 'ulama delegation' to meet with me, I take this opportunity to extend an invitation which you may interpret a challenge to you to send your 'ulama' delegation to my home. But to make assurance doubly sure that I do not repeat by alleged 'hasty retreat', kindly instruct your Maulana Junaid Adam to arrange a date and a time for your 'ulama' delegation to meet at my home. Since you are enamoured with the home of this faqeer and since you have chosen to publicize the slander that I had 'beat a hasty retreat' from the sanctuary of 'my home', your 'ulama' delegation must meet me at my home.

I further urge you to include in your 'ulama' delegation the Lt.Reverend of the NNB Jamlat as well as Pundit Baker, the Reverend's assistant Imaam who had recently converted to Hinduism by donning the orange religious garb of the Mushrik, Ghandhi at the insistence of the Bank of India. Bring along your 'ulama' delegation and the Reverend and the Pundit and all your impostor, tin-topped 'senior ulema', and all your mercenaries. Bring them all in their droves to my home. We shall then, Insha'Allah observe who beats a hasty retreat.

(2)

I must remind you that men in Islamic guise who feed the Ummah carrion and who relish on riba, lack moral courage and spiritual fibre. I welcome your spineless mob of 'ulama' to come to my home to discuss all your haraam affairs concealed under a mountain of rotting carrion at Early Bird and Rainbow and in the myriad of other haraam outlets which you have halaalized. Instruct your 'ulama' delegation of reverends and pundits that when they discuss with me, they must restrict themselves to the Shariah and the Sunnah. They must not talk their carrion-rubbish. Devourers of maitah have no brains. The haraam has clogged all brain-channels.

Your Moulana Junaid Adam knows where I live. All of you Sanha chaps together with all your imbecile, spineless, impostor 'ulama' —reverends and pundits – are welcome at *my home*. But remember, any pundit dressed with a Ghandi orange costume and any beardless shaitaan of your delegation will be physically prevented from polluting my home with his accursed presence.

Although I am convinced of the status of the legalizers of Maltah – that they are shayaateen in human bodies – I shall nevertheless allow your stupid 'ulama' delegation admission to my home so that your lies and slander could be demolished. Everything will be recorded and released to the public.

A.S.DESAI
