## **Ultimatum Earlybird/Rainbow**

We received your ultimatum dated 7/10/08 email to us 9/10/08 on where very serious allegations have been made by yourself that Rainbow and Earlybird chickens are Haraam.

You further alleged that **“ALL the slaughters – ex and current confirm these facts”**

Please provide **URGENTLY** all related evidences of this for us to examine and respond.

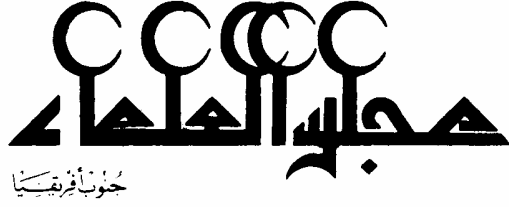

As a man of religion we are sure that you will understand the absolute necessity for your evidence to be factual and not based on hearsay.

We await your response.

Was salâm,

Your e-mail dated 14 Shawwaal (14 October 2008) refers.

Undoubtedly, you are correct in your averment that it is our choice to determine the mode and tone of our response.

We are of the opinion that pursuing correspondence with you is meaningless and futile. The chasm is unbridgeable.

As far as the evidences for our allegations are concerns, their details will be forthcoming at some legal forum. It appears that this is the only course to follow in view of your intransigent insistence that the chickens are 'halaal' despite the evidence being self-evident to everyone who is apprized thereof.

Was-salaam
